The institution held a Five-day Faculty Development Programme collaborated with PGP College of Engineering and Technology, Namakal on "Advanced leadership skills" that ran from June 14 to 18 2021. The FDP aimed to upgrade teaching, training, communication and leadership skills in the faculty. This program enabled the participants to develop an appreciation for the changing roles and responsibilities of the teachers and to prepare for the same. About 30 participants from different collaborative college had participated in this program. This FDP was quite helpful to the participants, they felt. The FDP was loaded with information, "Academic Leadership" covering the essential skills like Strategic Thinking, Planning and Delivery, People Management, Change Management, and Communication that a leader should possess. The explanations provided by the resource people were quite enlightening. Additionally, many participants asked that future FDPs with a similar format be organised. The program's participants who finished it successfully received a certificate as well.
