The College hosted a Five-day faculty development programme collaborated with Sri Raaja Raajan Engineering College, Karaikudi on “**Learning Outcome Based Education**” from May 08 to May 12, 2017. We are proud to announce that the FDP experienced an overwhelming response from faculty and aspiring researchers. A total of 30 participants registered. During this event, experts from college guided the participants on various aspects of research work. Also, the queries of the participants were well addressed by the speakers. During this 5 days Programme, there were 13 sessions followed by participant’s feedback and quiz. The participants found this FDP quite beneficial. The FDP was full of knowledge and the session was very informative for all. The explanations given by resource persons were high informative. Many participants also requested to arrange similar FDPs in the future. A certificate was also issued to the participants who successfully completed the programme.
