### Internal Quality Assurance Cell (IQAC):

To enhance the quality improvements in the academic process and also as a pre-accreditation exercise Internal Quality Assurance Cell (IQAC) was formed in the college in 2016. The objective of the cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution at all levels with the involvement of all stakeholders.

#### Objectives:

- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- To improve the academic and administrative performance of the institution.

#### Functions

##### Some of the functions expected of the IQAC are:

- a) Dissemination of information on various quality parameters of higher education.
- b) Documentation of the various programmes/activities leading to quality improvement.
- c) Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
