POLICY ON SLOW LEARNERS AND ADVANCED LEARNERS

Students are admitted in the first year through (TNEA) Counseling and Management quota & Second year through TNEA lateral entry counseling and Management quota. The institution organizes Orientation programmes and Bridge course for fresher's.

The Ganesh college of Engineering is well aware of students' diverseness and is equally concerned about the students' learning outcomes. At the commence of the program, marks secured by the students at +2, levels are categorizing:

- Advance learners – Students scored 60% and above marks.
- Slow learners – Students scored less than 60% marks.

After completion of the first year – semester university exam students categorized.

- Advanced learners: Students with no arrear and with one arrear.
- Slow learners: Students with four and above arrears.

STRATEGIES ADOPTED FOR SLOW LEARNERS

- Conducting evening coaching classes and giving assignments.
- Giving question bank and previous year university question papers encouraging them to solve.
- Providing special emphasis through mentors to overcome the learning difficulties.

STRATEGIES FOR THE ADVANCE LEARNERS

- Students Toppers in the previous history
- Participate in technical events like paper presentations, software contest, code debugging.
- The students presented the research work at National / International conferences and published it in journals.
- The institute's career guidance cell motivates for competitive examination like GATE and (TANCET)

SEMINAR ON INTRODUCTION TO OPERATING SYSTEM

The Department of Computer Science and Engineering, Ganesh College of Engineering organized a seminar on "INTRODUCTION TO OPERATING SYSTEM". The Seminar was inaugurated on 18.03.2024

The Programme started at 10:30 am with the welcome address by Mrs.M.Mahalakshmi, Head, and Department of Computer Science and Engineering .

N.Prabhu Started with introduction about INTRODUCTION TO OPERATING SYSTEM on 18.03.2024. Around 20 students of Third Year Computer Science and Engineering successfully participated the Seminar.

The vote of thanks was delivered by Mr.R.Sundaram,HOD,Department of Computer Science and Engineering at the end of the session.

The students are excited in participating INTRODUCTION TO OPERATING SYSTEM after the successful completion of this Seminar.

ACADEMIC YEAR 2023-2024 (ODD SEM) SEMINAR ON DATA STRUCTURES

The Department of Computer Science and Engineering, Ganesh College of Engineering organized a seminar on "DATA STRUCTURES". The Seminar was inaugurated on 15.08.2023

The Programme started at 11:20 am with the welcome address by Mrs.V.Sowmiya, Head, Department of Computer Science and Engineering.

R.Rajkumar started with introduction about DATA STRUCTURES on 15.08.2023 Around 15 students of Second Year Computer Science and Engineering successfully participated the Seminar.

The vote of thanks was delivered by Mr.R.Sundaram, HOD Department of Computer Science and Engineering at the end of the session.

The students are excited in participating DATA STRUCTURES after the successful completion of this Seminar.
