One Week FDP On **"ROLE OF INTERNET OF THINGS(IOT) in smart grid technology"** organized by Department of Electrical and Electronics Engineering of our institution on 19.06.2023 to 24.06.2023.

The Programme started at 10:30 am with the welcome address by Mr.T.Vinoth Raj, Assistant Professor Department of Electrical and Electronics Engineering

M.Karthikeyan professor started with introduction about **ROLE OF INTERNET OF THINGS(IOT) in smart grid technology** around 35 Teaching Faculties.

The vote of thanks was delivered by M.Karthikeyan, HoD, and Department of Electrical and Electronics Engineering at the end of the session.

The Faculties is excited in participating after the successful completion of these **ROLE OF INTERNET OF THINGS(IOT) in smart grid technology FACULTY DEVELOPMENT PROGRAMME.**
